

Dear **Lifestyle Home Garden Community**

Whilst we continue to encourage you to stay happy and healthy harvesting your own food, tending to your houseplants and growing your garden, we would like to thank you for your continued support as we navigate these difficult times. Our resilience rests securely in our passion to help our community bring life into their home.

Accordingly, based on the recommendations of the World Health Organisation guidelines and Government directive, we have implemented necessary procedures to assist in the joint fight to contain the COVID-19 virus within our beautiful country.

**This week we have implemented the following measures in order to protect our staff, visitors and community:**

- Our staff have been briefed on the facts of COVID-19 as well as health and safety practices to assist in the containment thereof.
- We have implemented health and safety practices, encouraging all staff to wash their hands well, clean all surfaces regularly, use hand sanitiser and drink water often.
- Spatial distancing has been encouraged whilst assisting customers.
- Hand washing guidelines and reminders have been placed in all our communal bathrooms.
- We have secured quality hand sanitiser and surface sanitiser that have been distributed throughout our store for our staff and customers to make use of.
- Hand sanitiser sprays have been placed at all entrances and exits for all visitors to use when entering and exiting our store.

We know that it is important to be prudent during these uncertain times, but with precautions in place and within guidelines from our local Government your favourite family destination **remains open** as we continue to work to serve our community.

If you prefer to, we will be all hands on deck to facilitate orders over the phone and via email.

Please call us on any of these **cell phone numbers:**

064 107 1377

084 631 5842

083 279 0760

Or on our **landline:**

011 792 5616

You are also welcome to **email** [info@lifestyle.co.za](mailto:info@lifestyle.co.za)

to place orders for collection or delivery so that you may continue to create your garden and sanctuary.

We will continue to act in the best interests of our customers, staff and the greater community and we appreciate your support during this time. In the words of our former president Nelson Mandela, "May your choices reflect your hopes, not your fears", as we encourage quality family time and reconnecting with nature.

Wishing health and happiness to all!

The Lifestyle Home Garden Team
